VStream® Windshield for FJR1300/ABS

National Cycle revolutionizes windscreen performance with its new VStream® windshield, our latest windshield for the 2001-2005 FJR1300. This amazing new shield utilizes a distinctive "V" shape to push the airflow out away from the rider's head and shoulders, resulting in an amazing reduction in wind noise and a near-total elimination of turbulence and buffeting windshield is constructed This VStream of super-thick 6mm Lexan® polycarbonate, making it the most impact resistant FJR windshield on the market today. The VStream® also features National Cycle's exclusive Quantum coating, which boosts scratch resistance 30-fold over our competitors' acrylic shields.

70-N20301 FJR 1300 01-05 (B) \$220.99
