SNOWMOBILE POLY FLEXIBLE HANDLEBAR GRAB BAR

For On/Off Trail, Mountain And Powder Riding

- Designed by slidders who demand quality and performance from their products and their sport.
- Bolts on to the top of any 7/8" diameter stock handlebar.
- Gives aggressive riders the extra leverage they need to perform on/off trail, on mountain side hills and in deep powder.
- Made from high quality polyurethane resins.
- Polyurethane doesn't get slippery when wet.
- 16" over all length.
- Color : Black (Glossy).
- Hardware not included.

| | | | |
|----------|-------|-----|---------|
| 012-1400 | Black | (D) | \$49.99 |
|----------|-------|-----|---------|

Mountain Handle

Attaches to the top of your stock handle bars to avoid stretching across your machine when sidehilling on those tricky off camber hills. Use our easy to install mounting kit or design your own. A must for all mountain riders.
