

Replacement Tips
356-0063
(B) \$15.99

Ramps Heavy-Duty (98 HDSP)
750 lb. Load Capacity, Weighs only 23 lbs.
12" Wide x 89" Long
Caution: Do Not Ride Machinery While Loading or Unloading.

- Rubber Tipped Fingers provide a strong grip
- Arched to prevent bottoming of equipment with low ground clearance
- Serrated crossbars provide superior traction
- Constructed of 0.125 gauge aluminum which is super strong, lightweight, & will never rust
- Includes 1 steel safety cable to secure the ramp while in use
- Guaranteed for five years

356-0062
(B) \$148.99ea

Ramps (48C)
L-1000 lb Load Capacity , 12" wide x 78" long
Weighs only 33 lbs.

- 8 Rubber Tipped Fingers grab tailgate for a tenacious hold.
- Custom Engineered Collapsing Hinge System collapses ramp for ease of storage and transport while providing superior loading stability.
- 2.5" Arch prevents equipment drag.
- Evenly spaced Bars facilitate various wheel sizes.
- Heavy Duty Serrated Crossbars provide superior traction.
- Constructed of .073 Gauge Aluminum, it won't rust and provides superior tensile strength and durability.
- Two adjustable 3' Steel Safety Cables with S-hooks secure ramps in place when loading and unloading.

356-0066
(B) \$228.99pr

Ramps (98 or 98HD)
12" wide x 89" long

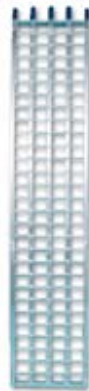

- 8 Rubber Tipped Fingers grab tailgate for a tenacious hold.
- 2.5" Arch provides maximum ground clearance to prevent equipment drag.
- .438" Serrated Crossbars provide superior traction.
- Two adjustable 3' Steel Safety Cables with S-hooks secure ramps in place when loading and unloading.

(98) 1000 lb capacity.

- 98 is constructed of .073 Gauge Aluminum, which won't rust and works perfectly for standard loading.

356-0071
(B) \$228.99pr
(98HD) 1500 lb capacity.

- 98HD is constructed of .125 Gauge Aluminum for superior tensile strength and durability.

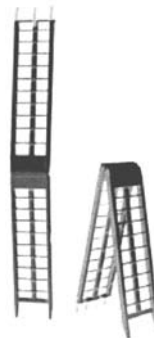

356-0070
(B) \$282.99pr

Ramps Heavy-Duty (65 SP)
1000 lb. Load Capacity, Weighs only 30 lbs.
18" Wide x 94" Long
Caution: Do Not Ride Machinery While Loading or Unloading.

- Rubber Tipped Fingers provide a strong grip
- Arched to prevent bottoming of equipment with low ground clearance
- Serrated crossbars provide superior traction
- Constructed of 0.125 gauge aluminum which is super strong, lightweight, & will never rust
- Includes 1 steel safety cable to secure the ramp while in use
- Guaranteed for five years

356-0077
(B) \$258.99ea

Folding Ramps
1000 lb. Load Capacity, Weighs only 32 lbs.
18" Wide x 94" Long

- Accommodates equipment with above-average width
- Rubber Tipped Fingers provide a strong grip
- Serrated crossbars provide superior traction
- Constructed of 0.062 gauge aluminum which is super strong, lightweight, & will never rust
- Includes 1 steel safety cables to secure the ramp while in use
- Guaranteed for five years

356-0073
(B) \$414.99ea

Folding Ramps
1000 lb. Load Capacity, Weighs only 36 lbs.
12" Wide x 89" Long

- Extra Long for loading equipment into taller trucks
- Rubber Tipped Fingers provide a strong grip
- Unique hinge system makes storing and transporting a snap
- Serrated crossbars provide superior traction
- Constructed of 0.125 gauge aluminum which is super strong, lightweight, & will never rust
- Includes 2 steel safety cables to secure the ramp while in use
- Guaranteed for five years

Ramps (86 L)

1000 lb. Load Capacity, Weighs only 30 lbs.
46" Wide x 77" Long (Folds to a width of 23")

- Generous loading surface accommodates larger equipment
- Rubber Tipped Fingers provide a strong grip
- Custom Engineered Hinge System provides easy use, storage, and transport
- Serrated crossbars provide superior traction
- Constructed of 0.073 gauge aluminum which is super strong, lightweight & will never rust
- Includes 2 steel safety cables to secure the ramp while in use
- Guaranteed for five years
